Deep Insights

Premium Brands dominate revenue.
Customers are willing to pay premium.

"Malabar Threads" is the mid performer. It is not strongly positioned; stucked in the middle zone.

High Ad spend doesn't guarantee high return
Some brands spend less but perform well.

Digital presence is the key growth driver. online sales is growing importance

Accessories seems low in revenue across brands.

Strategy

While positioning among Brands; "Malabar Thraeds" must choose as premium

When it comes to pricing; slight increase. Align with premium perceperception

Digital Expansion can increase the online sales percentage.
starting with Instagram marketing, influencer campaigns and website optimization as primary actions preferred.

Focusing on ROI, nd not onto spend;
Target on high-performing audience,
Retargeting Campaigns

Products:
Focus on Ethnic+ Fusion.
Focus in Trend-based collections and seasonal launches.
